

# LET'S TALK ABOUT...

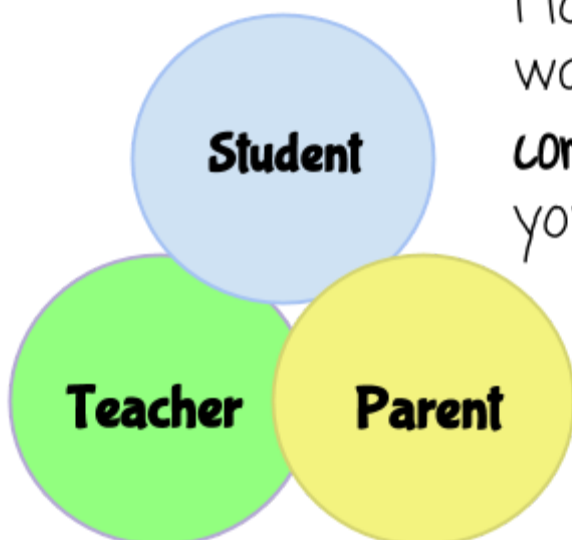

# Seesaw

What is Seesaw? Seesaw is an **AMAZING** app that we will be using this year in our class as a way for your child to share what they are learning at school.

Seesaw provides a **SAFE** and **creative** way for your child to document their learning while practicing digital literacy skills in a moderated environment.

Each child will have their **OWN** journal to which they will add photos, videos, drawings, and notes to showcase their learning in **authentic** ways.

I love Seesaw because it opens the walls of our classroom and allows **communication** between not only you and I, but your child as well.

Follow these step by step directions to sign up and follow your child's learning!

# HOW TO SIGN UP FOR seesaw

@smalchow

## STEP 1

Download the 'Seesaw Parent and Family' app from the Apple App Store or Google Play Store or go to <https://app.seesaw.me> using Chrome or Firefox and choose 'I'm a Family Member'

## STEP 2

Choose 'Create Family Account' and scan the QR Code on your child's handout.

If you don't have a QR scanner on your mobile device, I-nigma is a great, free QR reader to download.

## STEP 3

Finish creating your account to view your child's journal.  
(If you sign up using the link above, the teacher will need to approve your access.)

## STEP 4

Here's a short 3 minute video to walk you through using the Seesaw Family app.
