Dear Parents/Carers,

It has come to our attention that some children in Year 6 are part of a group chat on WhatsApp. WhatsApp is a chat application which can be used on a mobile phone or tablet, and it lets you send messages, images and videos to friends. You can have one to one and group conversations.

This letter is to make you aware that your child may be using WhatsApp without your knowledge, and you should be mindful that the minimum age for WhatsApp is 16 or over.

In the meantime, we ask that you carefully monitor what your child is viewing online, and that they are reminded that they must tell you if they receive anything inappropriate.

Please see the attached poster for more guidance.

Yours sincerely,

Mrs L. Newlands
Assistant Headteacher
and Online Safety Leader
