

Welcome back after the half term break! We hope you all had lots of rest and are ready for another exciting half term ahead. We have got lots of exciting learning planned linked with our topic 'What lies beneath the Earth?'. As we come closer to Christmas, we will be designing and making a Christmas cushion as well as welcoming you to our first 'Stay and Craft' event.

THEME AND BIG QUESTION

Volcanoes

What lies beneath the Earth?

NOTICES

Please remember to bring your child's book bag to school **every day** and check inside for new books and notices. Please ensure that PE kits are worn for PE days, and that they are labelled with your child's name. Remember to label all items of uniform too! **Please can all children bring their water bottles with them every day and filled with water only.**

MATHS

- We will continue to use White Rose Maths planning for our learning.
- Our focus this half term is **addition, subtraction, multiplication and division**. The children will be doing lots of practical learning using place value counters.
- The children will also use a number line to add, subtract and multiply.
- They will continue to use concrete materials such as Numicon, ten frames, counters and 100 squares and times table squares to support with mathematical thinking, reasoning and problem solving.
