Training days for 24-25

Monday 21st July 2025

Tuesday 22nd July 2025

NB Children break up for the summer holidays on Friday 18th July

Dear parents/carers,

Y6 have been busy since they finished their SATs! 6BW led the last class led collective worship of the year, a group of children attended Junior Warrior, they have led the summer fayre and they have coordinated today's fun run. Thank you to the Y6 team for their organisation of these events, especially Mrs Leonard who led the summer fayre. Thank you as well if you have supported the fayre and the fun run. Y6 are continuing their transition with their high schools and are preparing for the end of their time at BSP.

Reception this week visited Leeds City Museum. They took the bus into Leeds City Centre and then enjoyed exploring the museum.

Y2 have taken part in the annual Skipping Festival at Armley Leisure Centre. The group that attended the event represented us well with a number of children gaining awards for their skill in specific skip techniques or positive attitude. They also won the whole competition—well done Y2, we are very proud!

We are expecting the warm weather to continue with temperatures expected to again rise further in the coming days. Please do remember to ensure you are following our sun safety guidelines for yourselves and your children. Children should come to school with a hat and suncream already applied, this is especially important on sunny days. They should also keep hydrated so a named water bottle is essential in school too. Please note children should only be bringing in water. Advance warning—we will be stricter on this in September.

Next week is our Sports Day, weather permitting. The times for the sessions are on the next page. We welcome parents/carers attending to watch their child take part but you must adhere to our clear expectations:

- There are no photos or recordings to be taken during the event. This is during the races and the event as a whole.
- Please allow school staff to effectively supervise their classes by not asking your child to come over to you or you approaching them. Children need to stay with their class and allocated staff.
- Do not bring extra drinks or food for them. Ensure they have what they need when they arrive at school in the morning.

Mrs Esplin
