Dear parents/carers,

Thank you to all the parents/carers who attended parents' evening before the half term break. There was a good attendance across school and we hope the meeting you had with your child's class teacher was informative. Thank you also to those of you who completed our questionnaire. We will be sharing the outcomes from this in due course.

Our calendar of parental engagement events continues with the Y2 family breakfast, Y5 stay and read and Y1 stay and draw having taken place this week. In the next couple of weeks we have more events taking place. We look forward to seeing you in school if you are able to join us.

Our Y6 pupils undertook their global workshop this week where they looked at being 'agents of change' and 'courageous advocates' so they can make a positive impact on the world and change it for the better.

The applications for children starting primary school in September 2025 have been released. This half term we are holding some open events where families can visit school to find out more about us. If you or someone you know is looking for a school place for September 2025, we encourage a visit to school on one of the dates.

May we remind you that parking around school should be done considerately. The two entrances to our car parks on Hough Lane are NOT places to park. These are entrances and exits used on a regular basis. They are also where children and their families cross to get to school. This should be able to happen safely without the fear of cars running into them. Sadly this has been the case this week where a child was nearly hit by a car coming in quickly to park by the back car park entrance.

Next week we have our first disco since before Covid lockdowns! We are looking forward to watching the children have a dance with their friends and enjoy some time socially in school. The arrangements are set out on the next page. If your child is in Y1-3 and not attending the disco, please collect them from their usual door at the normal time. Please note After School Club will be held in the 2LN classroom and the side door by the back car park will be used for collection. Please communicate clearly with the staff if your child is also attending the disco.
